HOPE "SPRINGS" ETERNAL

In this time of great uncertainty, Spring has sprung in California, reminding us that life continues even in challenging times.

As we watch the Spring perennials come into season, many are starting to bud and bloom. Japanese maples, peonies, grapes, caneberries, blueberries, and roses are looking especially nice right now.

At Capitol Wholesale Nursery, we continue to bring you the supplies you need today and through the current crisis. While restrictions are being put in place, we remain an essential business and are here to help you in whatever way we can.

Please be reminded of our COVID policy and temporary, limited operating hours:
