Expanded Product Line

~~~~~  
In an effort to keep up with the ever expanding plant pallets of our customers, we are continually searching for new suppliers. This year there have been more requests for the wide range of succulents and we have responded by establishing relationships with several small growers that produce a varying range of quality plant material. Our goal is to acquire every plant on our customers planting plan and if the plant is not currently available offer a similar growing alternative.

**Blowout Specials**

~~~~~  
Save 20%-30% on many prime items. You will find the complete list below and on our [home page](#). All material is in good condition and limited to stock on hand. Check our [website](#) often for new items.
