December Update

The Holiday Season has arrived, and with it, our guide to giving. In this issue, we present you with several options for charitable giving; as well as updates on our nursery, featured plants to keep your landscape or interior looking fresh as the winter rolls in, World Soil Day 2020, and industry news and events!

Of note: We are hosting our own Make-A-Wish Foundation fundraiser this year. We would love for you to help us bring joy to children this holiday season. See our link below to contribute to our \$5,000 goal!

Finally, we remain open for business despite the recent changes in COVID Santa Clara County policy.

As always, thank you for your support and we wish you a flourishing December!

The Season of Giving: Charitable Organizations

Looking to donate to charity this winter, but don't know where to begin? Check out a few ideas below for green and plant-related charities and nonprofits.

Capitol Wholesale Nursery Make-A-Wish Foundation Fundraiser

Capitol Wholesale Nursery is raising money for Make-A-Wish to help grant wishes for children with critical illnesses. No matter the circumstances, every

child deserves a childhood. Life-changing wishes wouldn't happen without the power of donors like you. Your support gives children much-needed hope for brighter days ahead. 100% of your donation goes to Make-A-Wish to help make every wish come true.

[DONATE HERE](#)

[California Green Business Network](#)

The Green Business Network offers a searchable database of Green nonprofits accepting donations. You can also choose to donate directly to the Green Business Network itself.

[Our City Forest Fundraiser](#)

From December 7th-9th, donate to Old City Forest by ordering takeout from The Old Spaghetti Factory in San Jose. Or, you can donate directly to Our City Forest, choose to volunteer, or participate in the Holiday Rent-A-Tree program.

Snake Plant

If your outdoor plants want to come inside for the winter, consider Snake Plant, a versatile addition to your interior or exterior landscape. Easy to care for, this gorgeous plant is also quite photogenic.

Safari Rose Aloe

[Click to see on Instagram](#)

Dicksonia Antarctica

Looking for an attractive fern to weather the upcoming winter? Tree fern enjoys moist soil, which is great for the rainy season. It also works as an indoor plant.

World Soil Day

Keep soil alive,
protect soil
biodiversity

World Soil Day was adopted by the 2013 United Nations General Assembly after being introduced by the International Union of Soil Sciences. The first official World Soil Day was celebrated on December 5, 2014. Soil is one of our most life-sustaining ecosystems and the UN saw this as a very important opportunity to educate the world on the importance of restoring, managing, and conserving soil. You Design It We Deliver It

With our extensive inventory and trusted nursery partners, CWN is your one source for plants and planting supplies. The nursery is brimming with a wide variety of colors, textures, and sizes. We have in stock a complete mix to accommodate larger quantities of our best sellers, making it even easier to complete your orders more quickly.

Here is a brief summary of what we can do for you:

- Assemble orders for "will call" or delivery, usually the same day

- Always use the best and most consistent materials available
- Contact you immediately if there is a quality or available issue
- Order out-of-stock or specialty materials using all available resources
- Guarantee that CWN materials will meet or exceed your expectations
