DELIVERING EXCEPTIONAL VALUE SINCE 1977

Happy New Year!

As we begin 2015 we are looking forward to a very busy year. Inventories across the industry are expanding and many new varieties are coming on. As your grower/broker we are working hard with our affiliates to secure the best material available. To avoid any shortages on your upcoming projects make sure to get your requests in as early as possible (plants are already being tied-off for upcoming landscapes).

We look forward to working with you and wish all the best in this coming year.

Sincerely,

Capitol Wholesale Nursery
