

Early Spring Edition

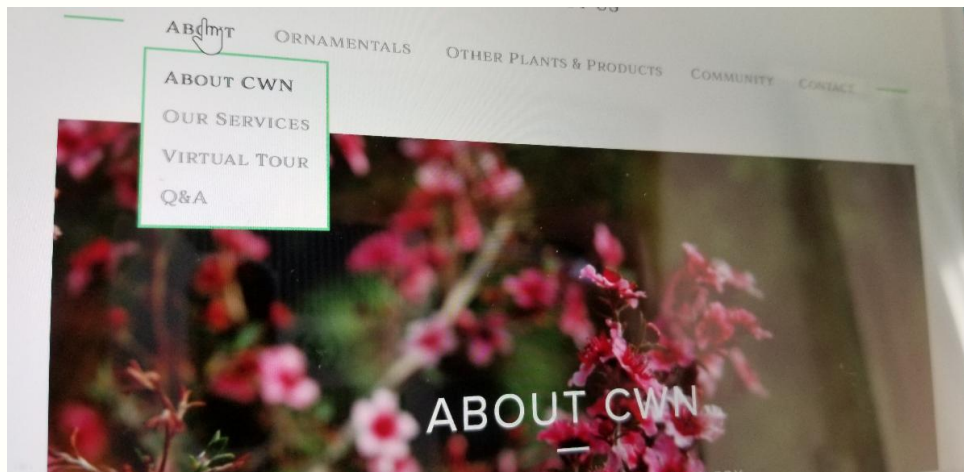

IN THIS ISSUE:

- New Website Launch
- March Featured Plants
- Now Hiring!
- Upcoming Bay Area March Workshops
- Upcoming Plant Events Around Town

With last month's warmer temps, the nursery has begun flowering like an early Spring! It's an exciting time at our business as we come in each day to find new plants bursting with color and form.

From Azalea to Yarrow, it feels like the whole nursery is in bloom, and it's keeping us busy! Our new Instagram is similarly overflowing with color as we feature new varieties each week. Plus, we're unveiling a new website this month! Read on for more CWN and industry news and updates.

New Website Launch www.CapitolWholesaleNursery.net

We are excited to announce that we have a new, updated website! We continue to feature plant lists, industry events and the other content you're accustomed to, alongside new features including:

- Industry events calendar
- Instagram feed

- Newsletter archive and signup form
- Updated look & feel
- Virtual tour

Please [visit our new site](#) and let us know what you think!

We are Hiring: Join Our Team!

Capitol Wholesale Nursery is the leading nursery in the South Bay, and we are looking for energetic, hard working self starters to learn and grow with our team. Featured Plants: Azalea indica, Ceanothus, Rosmarinus officianalis

Spring is typically viewed as the universal standard season for flowers to bloom. With gardens full of green foliage and vibrant spring blossoms, it's an amazing sight to behold for both hobbyists and professionals.

As we Spring into March, our nursery is blooming into life, and we are featuring flowering plants each week on [our new Instagram page](#). Some of the featured plants this month include:

[Azalea indica, "Happy Days"](#)

[Ceanothus "Julia Phelps"](#)

[Rosmarinus officinalis, "Huntington Carpet"](#)
