## March Update

# Get Ready for Spring Planting

---

March is here; and Spring is just around the corner. There is so much new growth throughout the nursery: hibiscus, pruned small in Autumn, are starting to show green; peonies are popping up out of dormancy; and everywhere you look there's a new flower vying for attention.

In this month's newsletter, we're featuring new plants and events as usual; plus we are introducing a Garden & Landscaping section with smart, timely advice, as well as highlighting local volunteer opportunities!

Also, because we love our subscribers, look closely in this month's newsletter for a coupon code to use this month only.

Finally, we have exciting news: we're expanding our team! Read more about the positions available and how to apply below. Please feel free to forward the information to anyone you know who might be interested.

What are you looking forward to planting this Spring? Give us a call for recommendations or to discuss orders or quotes. We are always happy to serve your plant and landscaping needs.

Thank you,

**Jane**

### Now Hiring - Join Our Team!

Are you interested in working with plants and people? Capitol Wholesale Nursery is the leading wholesale nursery in the South Bay, and we are looking for energetic, hard-working self-starters to learn and grow with our team.

Position duties include shipping/receiving, stocking/watering/maintenance,

fulfilling customer orders, and customer service.

Full time/Part time positions available for immediate hire. Please email a resume and cover letter to [CWNEmployment@gmail.com](mailto:CWNEmployment@gmail.com).

## New & Featured Products

### **Agave 'Fountain Surprise'**

This new Agave variety has quite a genesis: the story goes that it comes from seeds supposedly cloned from Blue Glow; yet the resulting plant was much longer, leaner and outward-curving than Blue Glow - leading to the name 'Fountain Surprise'!

### **Pyrostegia venusta 'Flame Vine'**

New in just this week, this show-stopper features vivid clusters of orange 3-inch flowers and clinging tendrils that will cover any surface. Attracts hummingbirds and is a fabulous choice for coastal and even desert gardens with proper care.

### **Pieris japonica 'Flaming Silver'**

This majestic Spring bloomer features bright red leaves atop delicate chains of white bell-shaped flowers; contrasting against dark green leaves. Evergreen shrub that prefers part to full shade and becomes silver-variegated in Summer.

## Quote of the Month

"It was one of those  
March days when the  
sun shines hot and the  
wind blows cold: when  
it is summer in the  
light, and winter in the  
shade."

- Charles Dickens

### Life for a Life COVID-19 Memorial Tree Planting

"The unfortunate impacts of COVID-19 and raging wildfires have hit our local communities hard this year. As a project to give back to the community and recognize the lives lost from COVID-19, we here at Greenkeepers are determined to plant a tree to commemorate each life no longer with us today with the life of a tree. In Alameda County, the number of deaths from COVID-19 amount to 750 lives. Our goal is to plant 750 trees around the city of Fremont in fond memory of those who have passed away."
